NET IS HELD ON TUESDAY NIGHTS AT 8 P.M. ON
 144.375 SIMPLEX

NEXT MEETING: SATURDAY AUGUST 15, 1992
 8 A.M. AT DENNY'S AT THE S.W.
 CORNER OF TUSTIN AND 17TH ST.
 IN SANTA ANA ABOUT A 100 YDS
 WEST OF THE 55 FREEWAY

SOMETHING EXCITING is happening for those interested in both amateur radio and motorcycling. A new group has formed that combines both interests. We have been in existence since May 1992 and GROWING QUITE FAST. All persons from EITHER INTEREST AND ANY TYPE OF MOTORCYCLE ARE WELCOME. We are a very friendly, enthusiastic group. COME JOIN THE FUN AND KNOWLEDGE.

For more information call Ron Collings (WB6ZEI) at 714-960-4383 or Ray Davis (KD6FHN) at 714-551-1036.

It is very interesting to see how each individual has their equipment loaded on their motorcycles./what antennas they use.

We have some campouts planned for the group and are looking forward to having rides after our meetings on Saturdays once a month and any other time or weekend.

Our organization is heavily involved in providing liason and traffic control for Toys for Orangewood Home for Children, Ride for Kids for USC Children's Hosptial Brain Tumor Center, Service to Senior Citizen's Center in Mission Viejo, Bicycle Triathalons for Muscular Dystrophy, Cystic Fibrosis, Mooseheart Benefit and Toys for Tots. We have two rides coming up in October, Oct. 3rd & 4th a two day MS bike trac. We will be escorting bikes this year to San Diego with an overnighiter, camping at San Mateo Campground where we will be fed and meet the bicycle riders and enjoy. The other is on Oct. 17th/18th for Cystic Fibrosis. There will be more on these rides next month when we should have some flyers on them. We will need several MARC personnel along with members of GWRRA to monitor the bicyclists.
